Safeguard Coaches, www.guildfordbus.co.uk Cookie Policy describes the different types of
cookies that may be used in connection with the website owned and controlled by us from
which you are accessing this Cookie Policy (the “Site”), and how you can manage them.

We may change this Cookie Policy at any time. Please take a look at the “LAST UPDATED”
legend at the top of this page to see when this Cookie Policy was last revised. Any changes
in this Cookie Policy will become effective when we make the revised Cookie Policy
available on or through the Site.

WHAT IS A COOKIE? Cookies are small text files that are stored on your computer or mobile
device. They are widely used in order to make websites work, or work in a better, more
efficient way. They can do this because websites can read and write these files, enabling
them to recognise you and remember important information that will make your use of a
website more convenient (for example by remembering preference settings).

WHAT COOKIES DO WE USE? Below we list the different types of cookies that may be used on
the Site. Note that to the extent information collected through cookies constitutes personal
information; the provisions in the Privacy Policy apply and complement this Cookie Policy

Essential Cookies
Essential cookies are necessary for the Site to function and enable you to move around it
and to use its services and features. Without these absolutely necessary cookies, the
performance of the Site will be compromised.

Analytics Cookies.
Analytics cookies collect information about your use of the Site, and enable us to improve
the way it works. For example, analytics cookies show us which are the most frequently visited
pages on the Site, help us record any difficulties you have with the Site, and show us whether
our advertising is effective or not. This allows us to see the overall patterns of usage on the
Site, rather than the usage of a single person. They are not used for targeting adverts to
individuals.
